## ANNUAL REPORT FOR THE PERIOD 2022 - 2023

### INTRODUCTION

The organisation is happy in presenting the program description of the activities carried out during the reporting period. The organisation was formed by few committed people in order to serve the poor and the needy and to enable them the feasible grounds to come up in their lives with their own participation. The programs were mainly carried out in and around Sevoor village of Thiruvannamalai District and some of the programs carried out are as follows:

#### ➤ Distribution of Books and Uniform to children:

The books and uniform to some of the poorest children from the school at sevoor village was distributed

The children from the poor families were listed out with the help of the Mrs.Sumathi Ravi, Headmistress of the school and the basic educational aid was distributed to the children.

This program was instrumental in supporting the school going children and in enabling them the possible school sponsor materials and motivating them to undergo their studies without any problems.

### ➤ Children welfare programs

The children who were from very poor background were selected and they were given the possible support to cope up their studies. The parents are from very poor background and they are not able to provide the basic materials for their children. With the support of the teaching staff of the school at Sevoor the poor students were selected and the possible educational support was provided to them

### ➤ Distribution of clothes to aged people:

The aged women were selected and they were offered with rehabilitation materials. The Mahatma Gandhi Birth Anniversary was observed and the important aspects about his life and sacrifice to achieve independence were oriented to the participants.

➤ **Tuition fees for poor students**

The tuition fees for the poor students were given and the week students were motivated to study well. Some of the children are very weak in some of the difficult subjects such as Maths, Science and English. So the children who were in real need of additional coaching were supported to undergo the special coaching. Now the children are able to get better marks in their subjects.

➤ **Corona awareness programs:**

The awareness on the prevention from getting affected by Corona Virus was oriented to the women group.

- **Old aged home:** The organisation has identified few aged people and the rehabilitation materials were distributed to them during the Birthday of Mahatma Gandhi Birthday and the support was given to motivate them and also to seek the schemes available for them from the government and to lead the life with better comforts. The social animators of our organisation had oriented them in welfare schemes and also the procedures to avail such facilities.

### ➤ Medical camp:

The medical screening camp along with the health awareness was given to the women group members. The health programs were mainly aimed to cover the women from the Self-Help Groups and to orient them in their care and concern to keep themselves and their family members healthy and hale. The programs were instrumental in getting to know their health problems and the programs had motivated them to approach the Doctors in times of ill health instead following self-medication.

### ➤ SHG Development programs:

The women were formed into self help groups and they were motivated in small savings and it has become a great learning for them and they are able to realize the need for small savings and save for the future.

The women group leaders were selected from the Self Help Groups and the leadership training was given to them so that they could lead the group and take the measures for the development of the women in need. and each of the group have their own office-bearers and they are called for a short orientation on self-development and better earning opportunities. Two women were distributed with Tailoring machine to start their own unit at their homes.

### ➤ Help to poor students

The great Saint Kamarajar Birthday was observed and the important aspects about their life and achievements were oriented to the participants. During this auspicious day the poor children were given free food and other supports to feel that they have people to think of their situations.

For with God nothing will be impossible. LUKE 1:37
